About Us

Children who are orphaned, children of single parent families, street children, children from extremely poor family background, are admitted in the Hostel

Success Story

Born in a very poor family at Santa Cruz, Ajay (name changed) lost his father at a very young age. His mother and little Ajay were cared by the Sisters of the Missionaries of Charity. When Ajay was 11 years old, he was admitted in Montfort Home. In the year 2008 Ajay was admitted in 5th standard in the local School at Gorai village. Now, Montfort Home was his new abode. A proper meal and cosy bed made Ajay explore his potential and he finished his schooling from Gorai and junior college from St. Joseph's College, Presently he is working in a Call Centre and also studying to complete his graduation.

Ajay has many dreams and he is working towards accomplishing them. Seeing him confident and determined inspires other young boys of hostel and makes us swell with pride.

God bless the boy

We care for the child: to feel loved, respected and responsible.
